

HANDS FAIR

August 7

9am-12pm

[Health Fair Participant Form](#)

On August 7 from 9am-12pm, the NWLSD is once again hosting our HANDS FAIR at Northgate Mall. This is an event where we get to connect with our families and offer them some of the most needed services in preparation for school including school supplies, free haircuts, dental screenings, physicals, and a plethora of other services. Last year we had over 700 families participate in the event, and we believe we will have even more this year. We are looking for organizations to join us in serving our community. There are a number of ways that organizations or people can help...

1) **Supplies:** If you or your organization would be willing to collect supplies for our students, we would love to partner with you, see below. Many churches take on one school supply and collect it in mass quantities (i.e. Pencils)

2) **Services:** If you or your organization would be willing to provide a service to our students/families that you know will help prepare them for a great start, we would love to partner with you, see below. Haircuts and screenings are just the start!

3) **Information:** If you or your organization would like to provide our students/families with information about your services, we would love to partner with you, see below. Local businesses can advertise at vendor tables.

4) **Volunteer:** If you or your organization would like to help out with the event, we would love to partner with you, see below.

5) **Engagement:** If you or your organization would be willing to participate in the entertainment or engagement portion of the event, such as mascots or other acts that we can advertise to bring more families to our event, we would love to partner with you, see below.

6) **Raffle Baskets:** If you or your organization would be willing to donate items or themed baskets for our student raffle, we would love to partner with you, see below. Specialized school supplies, toys, gift cards, gift certificates, samples of products, BIKES all are great raffle items that boost engagement for participants.

All vendors, service suppliers, and volunteers are served lunch on the day of our event.

No matter how you would like to participate, please complete the following form:
