

Shop with a partner you can trust. Our member benefit, the Chamber Energy Program, helps local businesses reduce their energy costs every day.

An **autobody repair shop** recently enrolled their electric and natural gas in the program, saving them over **\$5,000 annually**. That's money they can invest back into their business!

There is no cost to receive a quote.

Simply call **330-208-2082** or email your recent utility bills to chamberenergy@ceateam.com.
